## JSSI ENGINE PROGRAM BENEFITS

- ✓ Protect your investment through an independent trust structure
- ✓ 24/7 worldwide maintenance support from 100+ technical representatives
- ✓ Access to a global network of MROs and service centers
- ✓ Program transferable at the time of sale
- ✓ Credit rights toward a future enrollment
- ✓ Supplemental lift allowance

This proposal constitutes a summary of proposed coverage and pricing, which is valid for 30 days, supersedes any prior proposal and pricing, and subject to credit approval and export compliance. The offer is also contingent on a review of a current status report and successful completion of a PIDS inspection by JSSI. Our respective rights and obligations shall be as exclusively set forth in a mutually agreed definitive contract between you and JSSI.
